COVER LETTER

Sir:

Patentee has become aware of 3 references listed and cited in a European Search Report, mailed October 18, 2005, in connection with Patentee's corresponding European application (i.e., EP Appln. No. 05 07 6683). The references were not cited during prosecution of the above-identified US patent application and are listed below. The European Search Report, a copy of which is also enclosed herewith, provides an indication of the relevance of each of the documents cited therein. In addition, an English language abstract and a machine translation of the entire document are also provided herewith for the Japanese document.

US 4,686,202A
US 5,559,065
JP 07 108177

Patentee believes that these 3 references are no more relevant to the patentability of the invention claimed in the above-identified US patent than the references already of record.

In the foregoing circumstances, it is hereby requested that this Cover Letter and the accompanying papers be placed in the USPTO's file for US Patent 6,777,571.

No fees are believed to be due in connection with the submission of this Cover letter and the accompanying papers. However, if any such fees, including petition and extension fees, are due in connection with this submission, the Commissioner is hereby authorized to charge them, as well to credit any overpayments, to Deposit Account No. 18-1850.
